NOTICE TO OWNERS OF QUARRIES OF MARBLE OR BUILDING STONE.

Paris Exhibition, 1900.

TT IS DESIRABLE that the Marbles and Building Stones of this Province be properly and fully represented at the Paris Exhibition, 1900.

The Dominion Commissioners demand that all specimens of Building Stone shall be of uniform size and

dressed in a uniform style.

To secure such uniformity this Department has arranged to have specimens dressed in conformity with these requirements, at its expense.

It is requested that owners of the quarries producing Building Stone suitable for such exhibition purposes, will send to this Department, at Victoria, blocks of stone suitable for dressing to a size of 9 inch cube.

Should any such quarry owners prefer to dress their own exhibits, a description of the style and size of block admissable may be had upon application to this Department.

Specimens of Marble should be in slabs about 1 inch thick and 12×18 inches, polished on one side.

Blocks of Marble, similar to the ordinary Building Stone blocks, are also desirable, and may be sent to this Department for preparation.

All specimens should be delivered here not later than August 1st, 1899.

J. FRED HUME, Minister of Mines.

Department of Mines, Victoria, April 19th, 1899.

[Provisionally adopted the 13th day of May, A.D. 1899.]

W HEREAS a majority in number and value of the owners, as shown by the last revised assessment roll of the property hereinafter set forth to be benefited by the drainage, have petitioned the Council of the said Municipality, praying for the drainage of the following lands in said Township 35, within the boundaries of the said Municipality of Spallumcheen, commencing at a point on boundary between J. Laur and Wood, Cargill & Co., in S.W. \$\frac{1}{4}\$ Section 9; thence north-easterly to old creek; thence easterly and north-easterly, following the direction of the old creek, to a point joining the old creek in N.E. \$\frac{1}{4}\$ Section 15:

And whereas thereupon the said Council procured an examination to be made by J. P. Burnyeat, C. E., being a person competent for such purposes, of the said locality proposed to be drained, and has also procured plans and estimates of the work to be made by the said J. P. Burnyeat, and an assessment to be made by him of the land to be benefited by such drainage, stating as nearly as he can the proportion of benefit which, in his opinion, will be derived in consequence of such drainage by every lot or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said J. P. Burnyeat in respect thereof, and of the said drainage, being as follows:—
